

breeze Q - LET THE MUSIC PLAY!

quadral breeze Q is a compact Bluetooth loudspeaker with a wireless connection to Bluetooth devices such as smartphones, tablets and computers. It plays any music collection saved on the device. The high-performance battery and passive membrane ensure a voluminous sound. Playback time is around 6 to 8 hours with a fully charged battery. The loudspeaker is ideal for use at home or on the move. The options are limitless and it's so easy to use: it's a breeze ...
